

Sioraf

ARMCHAIRS

The refined processing base, a precious asymmetrical grating with handmade brass castings, chiseled by hand and gold plated, is the distinguishing feature of the Sioraf series. On the border between art and design, the Sioraf armchair fits classily and elegantly into the living space, enhancing it and personalizing it with the beauty of the fabrics and leathers of the collection that cover the seat cushion.

Sioraf

ARMCHAIRS

Seat cushion in poplar wood and foam. Upholstery in fabric or leather from the collection. Metal base available in gold or dark bronze finishing.
