

Acapulco

BOOKCASES

Elegant lines and sculptural shapes for the iconic Acapulco bookcase, upholstered in the new Wild Tiger velvet for the shelves and in leather with stella quilting for the doors. Thanks to its contemporary design, the bookcase presents itself as a scenographic and decorative element. The possibility of double-sided use offers endless interpretative possibilities, allowing placement also from the center of the room or as a dividing wall.

Acapulco

BOOKCASES

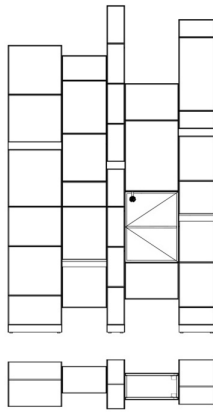

Modular bookcase double or single face with structure in embossed finishing lacquered MDF in the colours of the Roberto Cavalli Home Interiors collection.
