

Kivu

CHAIRS

A slim and essential design for the Kivu chair. The thin metal armrest that rotates around the structure is characterized by a particular bush-hammered finish that lends a rough and natural effect to the whole. The chair upholstery is in fabric with snake pattern, belonging to the Roberto Cavalli's historical archive, while the metal tips give the chair a Mid-Century charm.

Kivu

CHAIRS

Structure in beech wood and foam. Upholstery in fabric or leather from the collection. Metal arms and feet in brass available in semi-gloss gold finishing.
