CHAIRS

Bold and full of personality, Shira is a chair that combines design, Made in Italy craftsmanship and glamorous charm in perfect Roberto Cavalli Home Interiors style. A typical element of the Cavalli aesthetic, the animal print in its most natural and pure tones is found in the Wild Jaguar silk upholstery, combined with the black leather of the seat, with an unmistakable rock spirit. The seat is characterized by light and slender lines, given by the thin cone-shaped legs and the opening of the backrest. The vibrant accents of the bronze-painted legs illuminate the whole, creating a singular balance that makes Shira a unique and inimitable chair.
