# Watamu

SIDE/CENTRAL TABLES

Watamu: an original set of two tables with an evocative name that
pays homage to the well-known Kenyan location.

The essential and minimalist lines of the composition are enriched
by the exuberant and sophisticated decorativism, typical of Roberto
Cavalli Home Interiors brand: one of the two elements is in
animalier laser-cut, while the other one is in glossy lacquered wood.
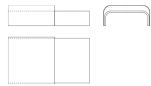

Watamu

Set of two central tables.

Higher element with structure in calendered iron with laser-cut
animal design, in the finishings from the collection.

Lower element in curved multilayer wood veneered in essence from
the collection, or lacquered in the finishings from the collection.

Brass plate with RC monogram on table side.
